PRIEST OBSERVES SILVER JUBILEE

FATHER NIEMANN GIVEN OVATION AT ST. PATRICK'S CHURCH.

14 VISITING CLERGY ASSIST IN SERVICES

High Mass is Read, Then Parishoners Serve Basket Dinner—Present Gifts to Pastor.

The entire congregation of St. Patrick's Catholic church, the Rt. Rev. Bishop Maurice F. Burke of St. Joseph, and a number of priests from the surrounding towns, gathered today at the church to celebrate with their priest, the Rev. Father Henry F. Niemann, the twenty-fifth anniversary of his ordination to the priesthood.

Solemn high mass was celebrated at 10 o'clock. This service was filled with unusual interest. The regular order of service was followed, and in addition many congratulations and good wishes were showered upon Father Niemann during the addresses. Bishop Burke made an especially fine talk, citing the splendid work that has been done by the Rev. Father Niemann and commending him for his zealous, faithful labor among his people. In his talk Bishop Burke expressed for the congregation and the people in general in the diocese, who have been in touch with Father Niemann's work their love and approbation for their priest, and voiced the sentiment of all in hoping they would celebrate together Father Niemann's fiftieth anniversary.

Another talk of special significance was made by the Rev. Father Cummins of Brookfield. Father Cummins is a son of C. Cummins of this city and a brother of Attorney T. A. Cummins, Dr. K. C. Cummins and James B. Cummins. His address was particularly pleasing to everyone.

Following the church service a basket dinner was served at noon in the basement of the church for all the members and their visiting friends. The menu had been provided by the women of the church and included everything known in culinary art.

At the close of the dining T. A. Cummins presented to the Rev. Father Niemann a purse of \$350, the gift of the congregation, to express in a measure their regard and congratulations.

The Rev. Father Niemann responded with words of thanks and kindness for his parishoners and their remembrance.

The Rev. Monsignor Linenkamp of St. Joseph, who was the childhood priest of Father Niemann, arrived in Maryville at noon to celebrate the day with his old parishoner. The Rev. Mgr. Linenkamp has been in the priesthood fifty-one years.

In the afternoon the children of the parish school presented a short play and gave an entertaining program.

The visiting priests attending were the Rt. Rev. Bishop Burke of St. Joseph, the Rev. Mgr. Linenkamp of St. Joseph, Father Cullen of Cameron, Father Johannes and Father Conner of St. Joseph, Father Arensberry of Carrollton, Father Call of St. Joseph, Father Ernest of Salisbury, Father Peter of Conception, Father Frowin of Clyde, Father Bolger of St. Patrick's church, St. Joseph, and Father Anselm and Father Odillo of St. Mary's church of this city.

JAPAN TO INVADE CHINA?

Peking Hears Report That 30,000 Have Embarked for Country Under Navy Protection.

Special to the Democrat-Forum.

London, March 16.—It is reported in Peking that 30,000 Japanese, under convoy of a navy squadron, have left for China. The report is creating alarm, for fear that the action of the Nippon country indicates hostilities with the Chinese republic.

No other reason for the embarkation of this body is known.

LOS ANGELES FIRE FATAL TO 2.

Three-Story Apartment House Flames Also Injures Many Others.

Los Angeles, Cal., March 16.—Two women are dead as a result of being fatally burned and many others were injured as the result of a fire which burned through the upper floors of a three-story apartment house early today.

BEACHEY WORTH \$100,000.

Aviator, Who Has Fatal Fall, May Be Honored With Monument.

San Francisco, March 16.—Lincoln Beachey, the daring aviator who was drowned in the bay here Sunday, as the result of a fall while flying, will be honored with a costly monument in Golden Gate park, if plans now under way are successful.

The aviator is estimated to leave a fortune of approximately \$100,000.

BRIDGE WORK IS RETARDED.

Bad Weather Causes Delay in Constructing Tri-County and Clearmont Structures.

The construction of the steel bridge across the new Nodaway river channel between Clearmont and Elmo is being delayed on account of the extremely bad roads and bad weather, which has prevailed the last few weeks. The contract for its construction was recently awarded by the county court to the Decatur Bridge company of Kansas City for \$2,643.

At present the old wooden structure is supported only by wire cables, the supports having been washed out during the recent flood. It is extremely dangerous to cross, yet many do, even with fairly heavy loads, it is said.

Another structure over the Nodaway which has been a long time in the tri-county bridge where the counties of Holt, Andrew and Nodaway converge. The structure is virtually finished now, it is said, and only needs the approval of the county engineers and county court, but until the roads become more easily passable it is not believed the inspection will be made.

WOULD UTILIZE STEAM TOO.

Chillicothe and Albany Would Harness Surplus Steam—May Send Man Here.

The more progressive and far thinking men of Chillicothe are now striving to get the city to utilize the surplus steam from the municipal water and light plants.

Albany is also considering such a proposition and may send a delegate here soon to investigate the proposition and determine its success in Maryville.

GRAHAM SCHOOL IMPROVES.

County Superintendent Says Consolidated Institution Has a Better Course Now.

Prof. Bert Cooper, county school superintendent visited the consolidated school at Graham yesterday. He reports the school system as much improved. The high school there was recently approved by the state educational department as a third class institution.

It now consists of two years study, while next year it will be made a three year school.

CAN'T RUN FOR OFFICE.

The house of the state legislature has adopted a resolution, introduced by Representative Sprague of St. Louis county, making a member of the public service commission ineligible for any state office, elective or appointive during his membership on that board and for a period of two years following his retirement from the commission either by removal or resignation. The vote was 75 to 22.

RURAL WIVES MEET

STATE LECTURER ADDRESSES PICKERING INSTITUTE AUDIENCE.

HOLD BASKET DINNER

Serve Basket Dinner After Domestic Science Talk—Normal Tutor and Cooper Speak.

The third annual institute of farmers and farmers' wives of and near Pickering, which is being held at the Methodist church in Pickering today, is proving a success, even though the attendance is cut down mightily by the bad roads. But the program is all there and more, too, and the rural wives are getting many pointers on better housekeeping and cooking, in particular.

The main talk of the morning session was delivered by Miss Bab Bell of the domestic science department of the University of Missouri at Columbia. She is a state lecturer on domestic science, and particularly of the culinary art. She also is a great advocate of any improvement which will make the lot of the farmer's wife easier.

After this lecture the women held a basket dinner at the church and a real old-fashioned chat was mixed with the chickens and the pies and the pickles and cakes.

Prof. R. A. Kinnaird of the State Normal school faculty made an address just before the close of the institute this afternoon on "Alfalfa and Other Subjects." The farmers in particular appeared pleased with the talk. Prof. Bert Cooper, county school superintendent, also was called on for a short talk relative to school work over the county.

Prof. Cooper also offered a large framed carbon picture of Abraham Lincoln to the school having the best general exhibit at the institute. The prize winning school has not yet been announced. Other prizes to be awarded will be announced late this afternoon or tomorrow.

THOMAS WRIGHT 84 TODAY.

Bedison Farmer Celebrates Birthday Anniversary at the Old Home.

Thomas Wright of Bedison is receiving the congratulations of his friends today on the occasion of his eighty-fourth birthday anniversary.

Mr. Wright goes by the friendly appellation of "Grandfather" Wright among his neighboring people. He makes his home with his daughter, Mrs. G. M. Parsons, and the anniversary today was celebrated with a family gathering at his home.

Mr. Wright was born in Kentucky, March 16, 1831. In the fall of 1855, with his family, he moved to Missouri. He purchased 300 acres of land, a part of which is now his home. Mr. Wright has done much for the development of the community where he lives and was one of the leading farmers of the county.

While he still takes a great interest in the farm life, he has given up all active pursuits a number of years ago.

RUSSIA REPORTS SUCCESSES

German Batteries Move Towards Ossowetz, But Other Points Yield Before Czar.

DIES AT WINTERSSET.

Maryville Friends Receive Word of the Death of Miss Mary Wass.

Word has been received by friends of the Rev. and Mrs. Claude J. Miller, formerly of this city, now of Greeley, Col., of the death, March 8, of Miss Mary Wass of Winterset, Ia.

During the residence of the Millers in this city Miss Wass frequently visited here and was well known by many people. The Rev. Mr. Miller was pastor of the First Christian church previous to the coming of the Rev. R. L. Finch, the present pastor.

TO SPEAK AT Y. M. C. A. MEET.

The Rev. Harkness Will Address State Convention—Roy Curfman to Accompany.

The Rev. S. D. Harkness has been chosen to make three addresses at the Missouri state convention of the Young Men's Christian association, to be held in Carthage next Friday, Saturday and Sunday. He was selected to fill the place of the Rev. W. R. Dobyns, pastor of the First Presbyterian church at St. Joseph, who is ill.

Mr. Harkness will take as his general topic "Facts and Factors in the Spiritual Life of the Individual." His first address Saturday morning will be on Bible study, the next, that afternoon, on prayer, and the final one, Sunday morning, on personal work.

Many other speakers on the program, among them being Henry Allen of Wichita, Kan.; Henry M. Beardsley, formerly mayor of Kansas City; several prominent bankers of the state and workers of the international committee of the Y. M. C. A.

Roy Curfman, who has always been interested in Y. M. C. A. work, and was one of the prime movers here for the establishment of a Y. M. C. A. building, will accompany Mr. Harkness. They will leave here Thursday morning. It is the intention of both Mr. Harkness and Mr. Curfman to gain as many pointers as possible relative to the establishment of a Y. M. C. A., that some action may be taken here this coming summer.

The pulpit of the First Presbyterian church here will be filled both next Sunday morning and Sunday night by the Rev. Harry J. Findlay of Fairfax. He preached here two weeks ago.

ST. PATRICK'S DAY IS NEAR

Famous Irish Phenom Will Be Lauded Tomorrow—Green Prevailing Color, of Course.

Tomorrow is St. Patrick's day, when Irish and persons of other races, too, will observe the birth of that famous benefactor and phenomenon. Of course, green will be the prevailing color tomorrow, as always on March 17, and the little shamrock will be donned by many. Parties and receptions in honor of that far-famed Irishman also will be held in Maryville tomorrow.

St. Patrick is supposed to have been born about the year 372, nobody knows where, though most all the nations claim him. When 16 years old he was captured by pirates and sold into slavery in Ireland. He escaped seven years later, and was successively ordained deacon, priest and bishop. Then he returned to Ireland to preach to its heathen inhabitants.

The antagonism was so great that in spite of his benevolent disposition he was compelled to curse the fertile lands, so say the legends, so they became dreary bogs; to curse the rivers so they produced no fish; and even to curse the kettles so no amount of fire could make them boil.

Then there is the story of how the inhabitants were all freezing and could find no material with which to build a fire. They pleaded with St. Patrick until he gathered the bits of snow and ice and turned them to fire.

And, of course, you know, too, that the greatest miracle supposed to have been performed by St. Patrick was the driving from Ireland of all venomous reptiles—making the soil so obnoxious to the serpent race that they died on touching it.

The shamrock, or small white clover, universally worn by true Irishmen on March 17, and which is so popular as decoration, is said to have been used by St. Patrick as a symbol or illustration when he preached the doctrine of the trinity to the pagan Irish.

Attends Pickering Institute.

Prof. Bert Cooper, county school superintendent, went to Pickering at noon today to attend the rural institute there today. He will also probably make a short talk.

Mr. and Mrs. Frank Tarpley returned yesterday from a visit at Quitman with Mrs. Tarpley's parents, Mr. and Mrs. E. S. Wolcott.

TO HOLD REVIVAL

PRESBYTERIANS START SPECIAL MEETINGS MARCH 24.

TO END EASTER SUNDAY

Special Evangelistic Series Will Supplant Passion Week Services—Mr. Harkness, Conductor.

A ten-days special evangelistic service, which will partially supplant the annual Passion week series, will be held at the First Presbyterian church, beginning March 24 and closing Easter Sunday, April 4, according to a decision of the board of trustees last night. The revival services will be conducted by the pastor, the Rev. S. D. Harkness. He has just concluded a ten-days evangelistic service at Fairfax.

These services will begin each night at 7:30 o'clock. Special musical programs are planned preceding the sermons by the church chorus.

In the series of meetings at Fairfax, Mr. Harkness secured many additions to the church membership and apparently delivered some extremely forceful sermons, judging by the Fairfax Forum relative to one sermon. It says in part:

Pleased at Fairfax. The Rev. S. D. Harkness is preaching some of the most powerful sermons ever heard in our town and the church is crowded every night with souls anxious to hear him.

Be it said to the credit of our men that a more earnest and attentive audience never honored a speaker and such a sermon. It was grand—it was scripture—it was prophecy fulfilled—it was a message from the Most High God and it fell on fertile soil.

At its close the alliance was requested to kneel and pray for their brothers who were non-Christians, then the invitation was given and eleven stalwart men surrendered their wills to Jesus of Nazareth, the Savior of the world.

"A more impressive service was never held in our little city and those present will never forget it nor get away from its influence."

MEN TO DEBATE SUFFRAGE.

Wage Earners Class Will Discuss Equal Rights Question April 2.

A debate on the question of equal suffrage, "Resolved, that woman's suffrage is conducive to the welfare of the United States government," will be held by the Wage Earners class of the Buchanan Street Methodist church, in the church, Friday night, April 2.

The affirmative debaters will be Prof. Bert Cooper, Silas Skelton and Frank Mathes. The negative debaters will be the Rev. J. H. Hubbard, C. A. Wilson and I. B. Williams.

GREAT WESTERN APPEALS SUITS.

Judgment Against It For Careless Stock Shipments From Guilford Questioned.

Two damage suits for alleged careless handling of stock shipments from Guilford last fall, were appealed to the circuit court here today by the Chicago Great Western Railroad company. The railroad lost in both suits when tried before Justice W. H. Watson at Guilford, February 25.

In one suit D. D. Henderson sought damages aggregating \$43.67 for shrinkage of stock December 21, 1914, from Guilford to St. Joseph. In the other W. N. Wray sued the railroad for \$168.32 damages for loss in two cars of hogs, through negligent and careless handling, he says.

GRAHAM PLANS CHAUTAUQUA

Will Give Another Six-Day Out-Door Lyceum in August—Success Last Year.

Graham will have another Chautauqua this year. It is to be held the second week in August and will continue for six days, according to C. E. Trapp, Graham lumberman and prime mover in the enterprise. The Jones system, which is said to have so well pleased the audiences last year, will be engaged for this year's outdoor theater.

The Graham Chautauqua was a financial success last season, the association managing to save up a little fund to start this year's attraction off well. The people of that vicinity, farmers and town folk alike patronized the event well, and are enthusiastically in favor of a repetition this coming summer.

The Graham Chautauqua was set for the second week in August so as not to conflict with that to be held here the first week of that month.

REVIVAL SERVICE CLOSING.

Methodists Hold Four Weeks Meeting at Bolckow Church.

A four weeks' revival service closed Sunday night at the Methodist church at Bolckow. The meetings were conducted by the Rev. H. J. Moody, assisted by Prof. Davidson, who had charge of the musical part of the services. During the four weeks there were twenty-six conversions and twelve additions to the church.

FORMER RESIDENT DEAD.

Mrs. Mary Kelley Dies at Home of Daughter, in Kent, Wash.

Mrs. Mary Kelley, aged 78, a former resident of this city, died March 7, at Kent, Wash. The body was brought to St. Joseph for burial and interred beside that of her husband, who died in St. Joseph eleven years ago.

Mrs. Kelley was a resident of Nodaway county for thirty-five years. She was born near Boston, Mass., and came with her husband to Nodaway county and settled on a farm near Maryville. Eight years ago she went to Kent, Wash., to make her home with her daughter, Mrs. Nora A. White. She is survived by three children, William Kelley, formerly circuit clerk of Nodaway county, now living at Perry, Kan.; John Kelley and Mrs. White of Kent, Wash.

Mrs. White and John Kelley, who came with the body of their mother from Kent, arrived in Maryville today to spend a short time visiting old friends before returning to their home.

LITTLE GIRL BADLY BURNED.

Granddaughter of Mrs. Katherine Miller Suffers Severe Wounds.

Mrs. Katherine Miller of West Third street, left Sunday morning for Collinsville, Okla., called there by the illness of her granddaughter, Elizabeth, the 3-year-old daughter of Mr. and Mrs. Robert Miller.

The child is suffering from severe burns received Saturday. She was playing near the open gas grate with a broom which caught fire, and from this the child's clothes were ignited. In protecting the little girl the mother burned her hands and arms badly. Both are severely but not critically injured.

ITALY PREPARING AGAINST AUSTRIA

NAVY IS BEING CONCENTRATED AT TARANTO.

STOP MAIL SERVICE WITH DUAL MONARCHY

Latin Countrymen Cry "Down With Teutons"—Government's Acts Intimate Approaching War.

By American Press.

Geneva, Italy, March 16.—A dispatch to the Tribune from Rome says that a large part of the Italian navy is being concentrated at Taranto, at the southeastern extremity of the country, in the Gulf of Taranto and at a point nearest the Dardanelles.

Special to the Democrat-Forum.

Rome, March 16.—Virtually all telegraph and mail service with Austria-Hungary has been cut off by order of government officials, and the country is drifting nearer and nearer to war with the dual monarchy, it is generally believed. The suspension of the exchange of telegraphic money orders was brought about by order of the Italian minister of posts and telegraphs. The suppression of traveling postoffices on trains bound for the Austrian frontier was likewise ordered.

The army is being gotten in readiness, it is reported from various sources, and preparations throughout the country indicate that Italy soon will be drawn into the war on the side of the allies.

Cries of "Down with Austria" are heard quite frequently, and the sentiment of the Italians against the Teutonic race is fast growing bitter.

The line of defense along the northern border is being strengthened.

RUSSIA CALLS RESERVISTS

Pacific Coast Countrymen Join Colors by Government Order—Affects 25,000.

Seattle, Wash., March 16.—All Russian reservists in Washington, Oregon, Idaho, Wyoming, Montana and Alaska are ordered home to join the colors on an order issued today by Nicholas Bogotvitsky, Russian consul general here.

It was said at the consulate here today that approximately 25,000 men in the Pacific northwest would be affected by the order.

TO DEBATE WORLD-WIDE PEACE.

Normal Societies Will Decide Question of Disarmament of Nations.

A debate between the Philomathean and the Eurokan literary societies of the State Normal school will be held in May on the topic, "Resolved that international peace can best be preserved by national disarmament." It is planned to make the inter-society debate an annual affair. Each society will be represented in the debate by two members to be selected after a preliminary contest soon.

The Philomatheans have chosen Henry A. Miller, Ray McPherson, William Utter, Miss Mattie Dykes, Miss Francyl Rickenbrode and Miss Dorla Callahan as preliminary contestants. The Eurekans who will enter the preliminary are Miss Harriet VanBuren, Lloyd Cox, Howard Leech, Harold Ramsey, Eugene Cummins and Silas W. Skelton.

DRESDEN IS SUNK BY BRITISH

German Cruiser's Magazine Explodes After Five-Minute Fight.

ESCAPED FALKLAND BATTLE.

Official Statement Issued by Admiralty in London Says It Was Overtaken by Three British Warships Near Juan Fernandez Island and Sunk.

London, March 16.—An official statement issued by the British admiralty announced the sinking of the German cruiser Dresden, as follows: "On March 14 his majesty's ship Glasgow, Captain John Luce; his majesty's auxiliary cruiser Orama, Captain John R. Segrave, and his majesty's ship Kent, Captain John D. Allen, caught the Dresden near Juan Fernandez island. An action ensued and after five minutes' fighting the Dresden hauled down its colors and displayed the white flag. It was much damaged and set on fire, and after it had been burning for some time its magazine exploded and it sank. The crew was saved. Fourteen badly wounded Germans were landed at Valparaiso. There were no British casualties and no damage to the ships." "The sinking of the Dresden leaves at large on the high seas, so far as is known, only two German war vessels—the cruiser Karlsruhe, last reported as operating in the West Indies, and the auxiliary cruiser Kron Prinz Wilhelm, which is still raiding commerce in the south Atlantic.

The Dresden was a member of the German squadron which was defeated by the British off the Falkland islands in December. It was the only one of five German warships to escape.

WERE GOING TOO STRONG

Two Hundred False Registrations Made in Single Precinct.

Indianapolis, March 16.—Charles Miller, a member of the registration board, testifying in the Terre Haute election conspiracy trial, said Mayor Roberts of Terre Haute, one of the defendants, told him a man had a legal right to claim a voting residence wherever he desired. On Roberts' request, he said, he served on the registration board in a precinct other than his own.

Miller testified that he sent word to George Evans, Ben Murray and Frank Hess that they "were going too strong" in registering so many negroes from their saloons. It was brought out that while there were only about twenty legal negro voters in the precinct, more than 200 were registered.

D. R. EVERSOLE & SON

killers cautious buyers, fearing a sudden change in rules might tie up their shipments enroute.

However, big New York and other killers bought cattle here freely all last week, and helped very much to sustain prices. Muddy feed lots and the lagging condition of the fat cattle market are causing feeders to cut loose and take losses, a tendency that aggravates the weakness of the market situation. Besides, Lent always offers a bear argument for buyers.

Cows and butcher grades are not as weak as steers today, though they have been following the steer market closely. Several shipments of Colorado beef steers sold today at \$7.35 to \$7.75, and Colorado feeders brought \$7.15 to \$7.40. Quarantine receipts were 16 cars, including medium weight steers, at \$6.35 to \$6.90, and some steers weighing 1,121 pounds at \$7.90. Good north Texas cake-fed steers sold freely last week at \$7.05 to \$7.30. Stockers and feeders are steady today, steers

largely at \$6.75 to \$7.50; several droves of young stock cows at \$6.15 to \$6.35.

Hogs sold 5 to 10c lower; receipts 20,000 head, including 4,500 head bought by packers at markets north and shipped here for slaughter, due to insufficient supplies here. Half a dozen loads of shipping hogs brought \$7.00, and some serum hogs also brought that price, but bulk of sales ranged from \$6.75 to \$6.90.

A feature here for a week has been prices 10 to 20 cents above Chicago and St. Joseph, and 15 to 20 cents above Omaha, on account of superior order buying demand here. New fast stock train schedules, saving 24 hours on shipments to most eastern points, were put in effect out of Kansas City last week, which stimulates order buying here.

Sheep and lambs opened steady today, but the close was 10c lower. Receipts were 8,200 here, and heavy at other markets, and it was on account

of lower prices elsewhere that salesmen had to make concessions here. Lambs sold at \$9.40 to \$9.80, ewes up to \$7.75, best yearlings worth \$8.90, wethers \$8, feeding lambs \$8.75. Kansas City will have light receipts of sheep and lambs balance of the season for fed stock, and will offer quite an inducement to shippers in that respect over the up-river markets.

INFANT DAUGHTER DIES.

Funeral Services Held Sunday at Home in Ravenwood.

The funeral services for Mabel Crystal Powell, the infant daughter of Mr. and Mrs. Joseph Powell, living near Ravenwood, who died Saturday, were held at the family home Sunday afternoon.

The service was conducted by Elder E. S. Fannon of Maryville, and the interment was made in Sweet Home cemetery. The child was born at Ravenwood, October 19, 1914. "The little gem thy love has given We've lost awhile, to meet in heaven."

NORMAL REGENT IMPROVED.

Leo M. Phipps, Grant City, Slowly Recovers From Illness, Relative Hears.

Leo M. Phipps of Grant City, a member of the board of regents of the State Normal school, and well known in Maryville, is reported slightly improved today, after a lengthy illness, according to a letter received by A. O. Mason, a brother-in-law. For a time last week, it was feared that Mr. Phipps' illness would be fatal. He is suffering from a complication of diseases.

REMARKABLE RESULTS FROM NEW REMEDY

Amolox, the new scientific liquid prescription, banishes eczema, and all skin eruptions. It stops all itching and burning instantly. Simply apply or wash the diseased skin with this penetrating, mild, soothing solution and all agonizing itch will stop, and sleepless, restless nights will be a thing of the past. Amolox Ointment will quickly relieve pimples on the face, blackheads, and all minor skin troubles. Apply like cold cream. Sufferers from eczema, psoriasis, tetter and bad cases of skin diseases lasting for years, should use both Amolox liquid and ointment to effect a cure. Trial size, 50c. TO SHOW BIBLICAL PLAY.

"The Sign of the Cross" Will Be Feature.

The five-act photoplay "The Sign of the Cross," with William Farnum starring, will be shown at the Fern theater March 23. The scenario for the play was prepared by the Rev. Delbert L. Pelton, while the actors in it rehearsed for weeks to bring it to perfection.

The play has been heartily endorsed wherever shown. The Christian Endeavor society of the First Christian church, under whose auspices it is given, will attend the show in a body. "The Birth of Our Savior," a one-act play, also will be shown in connection with the feature.

Mrs. Fred P. Robinson will sing a religious solo prior to each show. The Sunday school orchestra of the First Christian church also will play during each show. A matinee at 4 o'clock next Tuesday afternoon also is planned, in addition to the two night shows.

"The Sign of the Cross," it will be remembered, was so ably portrayed by Sarah Mildred Willmer in the third number of the lyceum course here this winter.

SOME DON'TS

For Stomach and Liver Sufferers.

Don't take medicine for your stomach ailments morning, noon and night, as usually such medicines only give temporary relief and simply digest the food that happens to be in the stomach.

Don't permit a surgical operation. There is always serious danger in operations and in many cases of stomach, liver and intestinal ailments the knife can be avoided if the right remedy is taken in time.

Don't go around with a foul smelling breath caused by a disordered stomach and liver, to the discomfort of those you come in contact with.

If you are a stomach sufferer, don't think you cannot be helped; probably worse cases than yours have been permanently restored by May's Wonderful Remedy.

Most Stomach ailments are mainly caused by a catarrhal condition. May's Wonderful Remedy not only removes the catarrhal mucus, but allays the chronic inflammation and assists in rendering the entire alimentary and intestinal tract antiseptic, and this is the secret of its marvelous success.

Don't suffer constant pain and agony and allow your stomach ailments to physically undermine your health. No matter how severe your case may be or how long you have suffered—one dose of May's Wonderful Remedy should convince you that you can be restored to health again. May's Wonderful Remedy has been taken and is highly recommended by members of congress, justices of the supreme court, educators, lawyers, merchants, bankers, doctors, druggists, nurses, manufacturers, priests, ministers, farmers and people in all walks of life.

Send for free valuable booklet on stomach ailments to Geo. H. May, 154-156 Whiting St., Chicago, Ill.

May's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if one bottle fails to give you absolute satisfaction.

WEATHER RETARDS FARM WORK.

Farmers Unable to Sow Oats or Plant Gardens on Time This Spring.

The disagreeable weather which has prevailed over all Nodaway county for the last month, until today, may be irksome to the city folk, but to the rural folk, it is not only irksome but creates a delay in spring farm work besides. Of course the snow and rain has been good for the wheat and will probably insure ample water this coming summer.

Many years farmers in this part of the state are preparing to sow oats, plant gardens, plow and harrow, by the middle of March, but this time, the earth is not harrassed by such maneuvers, all on account of the weather.

But when the ground does become dry enough to work, and the temperature does moderate, every one available will be pressed into service on the Nodaway county farms to push the spring planting and general annual clean-up about the premises.

Farewell Dinner Party.

Mr. and Mrs. Ralph Pierpoint were the honor guests of a dinner party given Sunday noon by Mr. and Mrs. R. V. McKee of Ravenwood. Other guests present were Mr. and Mrs. Earl Heflin, Mr. and Mrs. Joel Trullinger, Miss Gertrude Lyle, Miss Beasie McKee, Miss Mildred Trullinger, Hilda and John D. Heflin, Misses Doris and Ogle McKee. The dinner was a farewell gathering for Mr. and Mrs. Pierpoint, who are leaving that neighborhood soon.

Club Holds Merry-Making.

Serious pursuits were forgotten yesterday afternoon by the Arts and Crafts department of the Twentieth Century club and a general merry-making was held at the home of Mrs. D. J. Thomas. No formal entertainment or work was planned, each member bringing whatever piece of art or craft which she desired. The luncheon was one of the each-bringing-her-own variety, and with the delicacy brought the recipe was given. Tea was served by Mrs. Thomas, assisted by Mrs. Orear and Mrs. S. G. Gilliam.

Class Begins New Work.

The Homemakers class of the Buchanan Street Methodist church met last night at the church in the first meeting of the kind which it has held, the purpose being for the study of the Sunday morning Bible lesson. One hour is devoted to study and the meetings will be held each Monday night. The Homemakers class is a large and enthusiastic organization composed of the women of the church. The weekly Bible study is but one of the many plans inaugurated by the class for a better work and a greater personal application in its church activities.

To Celebrate Anniversary.

The Royal Neighbors lodge celebrates the twentieth anniversary of its organization March 21, and to make the occasion one of interest, Pansy camp, No. 333, is arranging a program, and in addition is securing a large class of candidates under a special dispensation of reduced rates to be taken in at a county encampment to be held at Clearmont, April 15. The Maryville camp now has 114 members. The lodge is the women's auxiliary to the Modern Woodmen of America, and is one of the most active organizations in the city.

Wedding Date Announced.

An announcement of interest to friends of the family in this city is that of the approaching marriage of Miss Anna Belle Totterdale of Pueblo, Col., to Mr. Paul Roberts of Idaho Springs, Col., which takes place April 6, at the home of the bride's mother, Mrs. Frances Totterdale. The wedding date was made known to a small circle of intimate friends at a luncheon given Thursday by the bride-elect's sister, Mrs. J. L. McKee of Pueblo. The Totterdale family are former residents of this city. They went to Pueblo about three years ago to make their home.

Home Department Meets.

The Home department of the Parent-Teachers' association enjoyed a very beneficial session Friday afternoon at the home of Mrs. W. A. Burris. After devotional exercises, led by Mrs. J. W. Ray, the general study of the afternoon, "The Education of the Boy and Girl for Future Husbands and Wives," was taken up. The discussion was keen and spirited, each member present having some side of the question to bring before the meeting. A plan for creating a hygiene department was also spoken of. The next meeting will be the second Friday in April, when a general meeting of the association will be held in the high school auditorium.

Junior Circle Organized.

A meeting of the Junior Mission Circle of the First Christian church will be held Thursday evening at the home of Mrs. E. R. Utter. The meeting is the second one of the Circle, which was organized last week, and is for the purpose of completing the organization. LEGISLATORS PASS BUT 6 BILLS.

More Done Last Week Than Previously But Big Measures Are Waiting.

With four working days to go before the end of the 70-day session is reached, the Missouri legislature has passed to date six bills. Four of these are appropriation bills with the four big appropriation bills yet to come. The other bills change the time of

certain chance of passage—that is, unless the two houses get into some new jam.

More progress was made during the last week than any time during the session. The bills of most consequence which stand good chance of passage outside the appropriation bills are:

A part of the code revision, the revision of the state banking laws, the state fire insurance rating bureau, a state dairy department bill.

The code bills have been engrossed in both house and senate—all except the criminal bill.

CONGRESS IS AID

NATIONAL LAW MAKERS DO MUCH TO ADVANCE WEST.

PROVIDE RECLAMATION

Legislators Pass More Measures Favorable to Interior Department Than Any Past Decade.

Secretary Lane of the Interior department at Washington expresses himself as pleased with the record made by the sixty-third congress on legislation affecting the work of the interior department and the public affairs under its administration, prior to its adjournment a few days ago.

"No single congress in a decade," said the secretary, "has passed and considered so much constructive legislation for the development of the west, the encouragement of pioneers and settlers, and the economical administration of the many interests handled by this department."

"Probably the biggest item in the list is the legislation for the building of the Alaskan railway, and the opening and leasing of Alaskan coal lands. The country will come to look back upon this legislation as inaugurating a work that will rank in importance with the construction of the Panama canal."

Aids Arid Land Settlers.

"The extension of time for reclamation settlers to pay their water right charges, the desert land acts to relieve and encourage settlers who are striving to make homes in the arid sections, the temporary oil leasing bill for the relief of the oil situation, the authorization of establishment of ten mine experiment bureaus and fifteen additional mine rescue stations, the appropriations for extension of the bureau of education in rural and industrial sections, are all progressive measures."

"In its every act in relation to the public domain and the work of this department, the congress just adjourned has evinced a desire to fur-

ther the interests and encourage the efforts of the real home builder and the man or woman anxious to aid in the country's development, and has frowned upon the speculative and exploiting class.

"Real progress has been made toward true conservation of our natural resources. Although the leasing bills for opening up the coal, oil, phosphate and potash lands and water power sites to development failed in the senate because of obstructionist tactics, the favorable action by the house upon these measures and the passage of the law opening the surface of phosphate and potash lands to homesteading, and providing that the mineral deposits in these lands shall remain withdrawn until further action by congress, is highly significant of the purpose of congress to complete this program at an early date.

Helps Indians, Too.

"The Indian appropriation bill failed to pass because of a controversy over the demand of the Choctaw Indians in Mississippi that they be enrolled and given a share of the tribal funds of the Choctaw Indians of Oklahoma. A joint resolution passed by congress

If Your Hair is Falling Out we know of no better remedy than

extends the appropriations of the current year for Indian purposes. While the failure of this bill will necessarily cause some embarrassment to the Indian office, it will not lead to any neglect of the Indians or of their property or interests, which will be fully cared for."

Among measures of importance relating to the public domain and the affairs of the interior department, which have been enacted by the sixty-third congress, Secretary Lane mentioned the following:

The Alaskan railway law and the appropriation at the last session which gives the administration about \$2,500,000 available for work during the coming year.

The Alaska coal leasing law. Appropriation of \$14,000,000 to be expended on reclamation work in 1916.

New House for Portfolio.

Authorization of a new building for the interior department, estimated to cost \$2,500,000, of which \$1,500,000 is appropriated this year. This new building, to be erected at F and Eighteenth streets, Washington, will contain quarters for all the bureaus of the department except the patent office, the bureau of education and the pension bureau.

An appropriation of \$500,000 for the construction of new laboratories for the bureau of mines at Pittsburgh.

The appropriation of \$35,000 to permit Dr. Rittman to continue his research and experimental work with petroleum and natural gas.

The creation of a board of review in land cases, in the office of the secretary of the interior.

The reduction of the appropriation for the payment of war pensions by \$16,000,000 over that of two years ago.

The act authorizing the opening to entry of a portion of the Fort Ringgold Indian reservation in North Dakota.

To Create New Colorado Park.

The creation of the Rocky Mountain park, near Denver, Col., and the granting of public lands to the city of Denver for public parks.

The validating of locations of deposits of phosphate rock heretofore made in good faith under the placer mining laws.

The act allowing the secretary of the interior to withdraw lands within reclamation projects for public playgrounds, public parks and community centers.

The act allowing the husband to select the residence for both parties in cases of intermarriage among homesteaders.

Allowing division into two parts of the five-month absence privilege of the three-year homestead law.

The law allowing a homestead entrywoman to perfect her claim, although she may lose her citizenship by marrying an alien.

"CASCARETS" ALWAYS STRAIGHTEN YOU UP

If Costive, Headache, Bilious, Stomach Sour, Breath Bad—Clean Your Liver and Bowels.

Get a 10-cent box now. You men and women who can't get to feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

Allowing the deserted wife of a homesteader to submit proof on his claim and receive patent in her own name.

Extending to South Dakota a part of the enlarged homestead law. Validating entries under the enlarged homestead law in cases where parties had partially exhausted their 160-acre homestead rights.

Urge New Farm Education.

The law providing for reorganization of the force in the patent office, for the purpose of not only keeping up with the increasing work of the office, but of minimizing the number of pending cases in the office, which has already been greatly reduced under the present administration.

The continuance of appropriations made last year for the first time, for encouragement by the bureau of education of school and home gardening and investigation of rural and industrial education, and the appropriation of \$25,000 for medical relief of the Indians in Alaska.

Appropriations of \$80,000 for investigations in connection with Western irrigation agriculture, partly available for investigations on reclamation projects.

Appropriation Not Sufficient to Keep Missouri Exposition Building Open Committee Says

The Missouri building at the Panama Pacific exposition may have to be closed as the appropriations committee has recommended only \$6,000 for the home of Missourians in San Francisco. The Missouri commission had an unexpended appropriation of \$27,000 left over from the last biennial period, but unpaid bills for furnishing the building will consume this credit.

John A. Cunningham of Caruthersville, a member of the commission, said that it would be useless to try to keep the building open with only \$6,000.

"The opening day," he said, "more than 5,000 Missourians registered. If the committee refuses to be more liberal we will have to close the building and reopen it again in the fall to keep it open as long as the money will last."

PRIEST OBSERVES SILVER JUBILEE

FATHER NIEMANN GIVEN OVATION AT ST. PATRICK'S CHURCH.

14 VISITING CLERGY ASSIST IN SERVICES

High Mass is Read, Then Parishoners Serve Basket Dinner—Present Gifts to Pastor.

The entire congregation of St. Patrick's Catholic church, the Rt. Rev. Bishop Maurice F. Burke of St. Joseph, and a number of priests from the surrounding towns, gathered today at the church to celebrate with their priest, the Rev. Father Henry F. Niemann, the twenty-fifth anniversary of his ordination to the priesthood.

Solemn high mass was celebrated at 10 o'clock. This service was filled with unusual interest. The regular order of service was followed, and in addition many congratulations and good wishes were showered upon Father Niemann during the addresses. Bishop Burke made an especially fine talk, citing the splendid work that has been done by the Rev. Father Niemann and commending him for his zealous, faithful labor among his people. In his talk Bishop Burke expressed for the congregation and the people in general in the diocese, who have been in touch with Father Niemann's work their love and approbation for their priest, and voiced the sentiment of all in hoping they would celebrate together Father Niemann's fiftieth anniversary.

Another talk of special significance was made by the Rev. Father Cummins of Brookfield. Father Cummins is a son of C. Cummins of this city and a brother of Attorney T. A. Cummins, Dr. K. C. Cummins and James B. Cummins. His address was particularly pleasing to everyone.

Following the church service a basket dinner was served at noon in the basement of the church for all the members and their visiting friends. The menu had been provided by the women of the church and included everything known in culinary art.

At the close of the dining T. A. Cummins presented to the Rev. Father Niemann a purse of \$350, the gift of the congregation, to express in a measure their regard and congratulations.

The Rev. Father Niemann responded with words of thanks and kindness for his parishoners and their remembrance.

The Rev. Monsigneur Linenkamp of St. Joseph, who was the childhood priest of Father Niemann, arrived in Maryville at noon to celebrate the day with his old parishoner. The Rev. Mgr. Linenkamp has been in the priesthood fifty-one years.

In the afternoon the children of the parish school presented a short play and gave an entertaining program.

The visiting priests attending were the Rt. Rev. Bishop Burke of St. Joseph, the Rev. Mgr. Linenkamp of St. Joseph, Father Cullen of Cameron, Father Johannes and Father Conner of St. Joseph, Father Arensberry of Carrollton, Father Call of Stanberry, Father Ernest of Salisbury, Father Peter of Conception, Father Frowin of Clyde, Father Bolger of St. Patrick's church, St. Joseph, and Father Anselm and Father Odillo of St. Mary's church of this city.

JAPAN TO INVADE CHINA?

Peking Hears Report That 20,000 Have Embarked for Country Under Navy Protection.

Special to the Democrat-Forum.
London, March 16.—It is reported in Peking that 20,000 Japanese, under convoy of a navy squadron, have left for China. The report is creating alarm, for fear that the action of the Nippon country indicates hostilities with the Chinese republic.

No other reason for the embarkation of this body is known.

LOS ANGELES FIRE FATAL TO 2.

Three-Story Apartment House Flames Also Injures Many Others.

By American Press.
Los Angeles, Cal., March 16.—Two women are dead as a result of being fatally burned and many others were injured as the result of a fire which burned through the upper floors of a three-story apartment house early today.

BEACHEY WORTH \$100,000.

Aviator, Who Has Fatal Fall, May Be Honored With Monument.

By American Press.
San Francisco, March 16.—Lincoln Beachey, the daring aviator who was drowned in the bay here Sunday, as the result of a fall while flying, will be honored with a costly monument in Golden Gate park, if plans now under way are successful.

The aviator is estimated to leave a fortune of approximately \$100,000.

BRIDGE WORK IS RETARDED.

Bad Weather Causes Delay in Constructing Tri-County and Clearmont Structures.

The construction of the steel bridge across the new Nodaway river channel between Clearmont and Elmo is being delayed on account of the extremely bad roads and bad weather, which has prevailed the last few weeks. The contract for its construction was recently awarded by the county court to the Decatur Bridge company of Kansas City for \$2,643.

At present the old wooden structure is supported only by wire cables, the supports having been washed out during the recent flood. It is extremely dangerous to cross, yet many do, even with fairly heavy loads, it is said. Another structure over the Nodaway which has been a long time in the tri-county bridge where the counties of Holt, Andrew and Nodaway converge. The structure is virtually finished now, it is said, and only needs the approval of the county engineers and county court, but until the roads become more easily passable it is not believed the inspection will be made.

WOULD UTILIZE STEAM TOO.

Chillicothe and Albany Would Harness Surplus Steam—May Send Man Here.

The more progressive and far thinking men of Chillicothe are now striving to get the city to utilize the surplus steam from the municipals' water and light plants.

Albany is also considering such a proposition and may send a delegate here soon to investigate the proposition and determine its success in Maryville.

GRAHAM SCHOOL IMPROVES.

County Superintendent Says Consolidated Institution Has a Better Course Now.

Prof. Bert Cooper, county school superintendent visited the consolidated school at Graham yesterday. He reports the school system as much improved. The high school there was recently approved by the state educational department as a third class institution.

It now consists of two years study, while next year it will be made a three year school.

Can't Run For Office.

The house of the state legislature has adopted a resolution, introduced by Representative Sprague of St. Louis county, making a member of the public service commission ineligible for any state office, elective or appointive during his membership on that board and for a period of two years following his retirement from the commission either by removal or resignation. The vote was 75 to 22.

RURAL WIVES MEET

STATE LECTURE ADDRESSES PICKERING INSTITUTE AUDIENCE.

HOLD BASKET DINNER

Serve Basket Dinner After Domestic Science Talk—Normal Tutor and Cooper Speak.

The third annual institute of farmers and farmers' wives of and near Pickering, which is being held at the Methodist church in Pickering today, is proving a success, even though the attendance is cut down mightily by the bad roads. But the program is all there and more, too, and the rural wives are getting many pointers on better housekeeping and cooking, in particular.

The main talk of the morning session was delivered by Miss Bab Bell of the domestic science department of the University of Missouri at Columbia. She is a state lecturer on domestic science, and particularly of the culinary art. She also is a great advocate of any improvement which will make the lot of the farmer's wife easier.

Talks on Alfalfa.

After this lecture the women held a basket dinner at the church and a real old-fashioned chat was mixed with the chickens and the pies and the pickles and cakes.

Prof. R. A. Kinnaird of the State Normal school faculty made an address just before the close of the institute this afternoon on "Alfalfa and Other Subjects." The farmers in particular appeared pleased with the talk. Prof. Bert Cooper, county school superintendent, also was called on for a short talk relative to school work over the county.

Prof. Cooper also offered a large framed carbon picture of Abraham Lincoln to the school having the best general exhibit at the institute. The prize winning school has not yet been announced. Other prizes to be awarded will be announced late this afternoon or tomorrow.

THOMAS WRIGHT 81 TODAY.

Bedison Farmer Celebrates Birthday Anniversary at the Old Home.

Thomas Wright of Bedison is receiving the congratulations of his friends today on the occasion of his eighty-fourth birthday anniversary.

Mr. Wright goes by the friendly appellation of "Grandfather" Wright among his neighboring people. He makes his home with his daughter, Mrs. G. M. Parsons, and the anniversary today was celebrated with a family gathering at his home.

Mr. Wright was born in Kentucky, March 16, 1831. In the fall of 1885, with his family, he moved to Missouri. He purchased 300 acres of land, a part of which is now his home. Mr. Wright has done much for the development of the community where he lives and was one of the leading farmers of the county.

While he still takes a great interest in the farm life, he has given up all active pursuits a number of years ago.

DIES AT WINTERSET.

Maryville Friends Receive Word of the Death of Miss Mary Wass.

Word has been received by friends of the Rev. and Mrs. Claude J. Miller, formerly of this city, now of Greeley, Col., of the death, March 8, of Miss Mary Wass of Winterset, Ia.

During the residence of the Millers in this city Miss Wass frequently visited here and was well known by many people. The Rev. Mr. Miller was pastor of the First Christian church previous to the coming of the Rev. R. L. Finch, the present pastor.

TO SPEAK AT Y. M. C. A. MEET.

The Rev. Harkness Will Address State Convention—Roy Curfman to Accompany.

The Rev. S. D. Harkness has been chosen to make three addresses at the Missouri state convention of the Young Men's Christian association, to be held in Carthage next Friday, Saturday and Sunday. He was selected to fill the place of the Rev. W. R. Dohyns, pastor of the First Presbyterian church at St. Joseph, who is ill.

Mr. Harkness will take as his general topic "Facts and Factors in the Spiritual Life of the Individual." His first address Saturday morning will be on Bible study, the next, that afternoon, on prayer, and the final one, Sunday morning, on personal work.

Many other speakers on the program, among them being Henry Allen of Wichita, Kan.; Henry M. Beardsley, formerly mayor of Kansas City; several prominent bankers of the state and workers of the international committee of the Y. M. C. A.

Roy Curfman, who has always been interested in Y. M. C. A. work, and was one of the prime movers here for the establishment of a Y. M. C. A. building, will accompany Mr. Harkness. They will leave here Thursday morning. It is the intentions of both Mr. Harkness and Mr. Curfman to gain as many pointers as possible relative to the establishment of a Y. M. C. A., that some action may be taken here this coming summer.

The pulpit of the First Presbyterian church here will be filled both next Sunday morning and Sunday night by the Rev. Harry J. Findlay of Fairfax. He preached here two weeks ago.

ST. PATRICK'S DAY IS NEAR

Famous Irish Phenom Will be Lauded Tomorrow—Green Prevailing Color, of Course.

Tomorrow is St. Patrick's day, when Irish and persons of other races, too, will observe the birth of that famous benefactor and phenomenon. Of course, green will be the prevailing color tomorrow, as always on March 17, and the little shamrock will be donned by many. Parties and receptions in honor of that far-famed Irishman also will be held in Maryville tomorrow.

St. Patrick is supposed to have been born about the year 372, nobody knows where, though most all the nations claim him. When 16 years old he was captured by pirates and sold into slavery in Ireland. He escaped seven years later, and was successively ordained deacon, priest and bishop. Then he returned to Ireland to preach to its heathen inhabitants.

The antagonism was so great that in spite of his benevolent disposition he was compelled to curse the fertile lands, so say the legends, so they became dreary bogs; to curse the rivers so they produced no fish; and even to curse the kettles so no amount of fire could make them boil.

Then there is the story of how the inhabitants were all freezing and could find no material with which to build a fire. They pleaded with St. Patrick until he gathered the bits of snow and ice and turned them to fire.

And, of course, you know, too, that the greatest miracle supposed to have been performed by St. Patrick was the driving from Ireland of all venomous reptiles—making the soil so obnoxious to the serpent race that they died on touching it.

The shamrock, or small white clover, universally worn by true Irishmen on March 17, and which is so popular as decoration, is said to have been used by St. Patrick as a symbol or illustration when he preached the doctrine of the trinity to the pagan Irish.

Attends Pickering Institute.

Prof. Bert Cooper, county school superintendent, went to Pickering at noon today to attend the rural institute there today. He will also probably make a short talk.

Mr. and Mrs. Frank Tarpley returned yesterday from a visit at Quitman with Mrs. Tarpley's parents, Mr. and Mrs. S. S. Wolcott.

TO HOLD REVIVAL

PRESBYTERIANS START SPECIAL MEETINGS MARCH 24.

TO END EASTER SUNDAY

Special Evangelistic Series Will Supplement Passion Week Services—Mr. Harkness, Conductor.

A ten-days special evangelistic service, which will partially supplant the annual Passion week series, will be held at the First Presbyterian church, beginning March 24 and closing Easter Sunday, April 4, according to a decision of the board of trustees last night. The revival services will be conducted by the pastor, the Rev. S. D. Harkness. He has just concluded a ten-days evangelistic service at Fairfax.

These services will begin each night at 7:30 o'clock. Special musical programs are planned preceding the sermons by the church chorus.

In the series of meetings at Fairfax, Mr. Harkness secured many additions to the church membership and apparently delivered some extremely forceful sermons, judging by the Fairfax Forum relative to one sermon. It says in part:

Pleased at Fairfax.

The Rev. S. D. Harkness is preaching some of the most powerful sermons ever heard in our town and the church is crowded every night with souls anxious to hear him.

Be it said to the credit of our men that a more earnest and attentive audience never honored a speaker and such a sermon. It was grand—it was scripture—it was prophecy fulfilled—it was a message from the Most High God and it fell on fertile soil.

At its close the alliance was requested to kneel and pray for their brothers who were non-Christians, then the invitation was given and eleven stalwart men surrendered their wills to Jesus of Nazareth, the Savior of the world.

"A more impressive service was never held in our little city and those present will never forget it nor get away from its influence."

MEN TO DEBATE SUFFRAGE.

Wage Earners Class Will Discuss Equal Rights Question April 2.

A debate on the question of equal suffrage, "Resolved, that woman's suffrage is conducive to the welfare of the United States government," will be held by the Wage Earners class of the Buchanan Street Methodist church, in the church, Friday night, April 2.

The affirmative debaters will be Prof. Bert Cooper, Silas Skelton and Frank Mathes. The negative debaters will be the Rev. J. H. Hubbard, C. A. Wilson and I. B. Williams.

GREAT WESTERN APPEALS SUITS.

Judgment Against It For Careless Stock Shipments From Guilford Questioned.

Two damage suits for alleged careless handling of stock shipments from Guilford last fall, were appealed to the circuit court here today by the Chicago Great Western Railroad company. The railroad lost in both suits when tried before Justice W. H. Watson at Guilford, February 25.

In one suit D. D. Henderson sought damages aggregating \$43.67 for shrinkage of stock December 21, 1914, from Guilford to St. Joseph. In the other W. N. Wray sued the railroad for \$168.32 damages for loss in two cars of hogs, through negligent and careless handling, he says.

GRAHAM PLANS CHAUTAUQUA

Will Give Another Six-Day Out-Door Lyceum in August—Success Last Year.

Graham will have another Chautauqua this year. It is to be held the second week in August and will continue for six days, according to C. E. Trapp, Graham lumberman and prime mover in the enterprise. The Jones system, which is said to have so well pleased the audiences last year, will be engaged for this year's outdoor theater.

The Graham Chautauqua was a financial success last season, the association managing to save up a little fund to start this year's attraction off well. The people of that vicinity, farmers and town folk alike patronized the event well, and are enthusiastically in favor of a repetition this coming summer.

The Graham Chautauqua was set for the second week in August so as not to conflict with that to be held here the first week of that month.

REVIVAL SERVICE CLOSES.

Methodists Hold Four Weeks Meeting at Bolekow Church.

A four weeks' revival service closed Sunday night at the Methodist church at Bolekow. The meetings were conducted by the Rev. H. J. Moody, assisted by Prof. Davidson, who had charge of the musical part of the services. During the four weeks there were twenty-six conversions and twelve additions to the church.

PICKS SOCIETY CONTESTANTS.

The Eureka Literary society of the State Normal school has chosen the contestants who will represent that society in the spring literary contests with the Philomathean society as follows: Miss Jane Gladstone, declamation and Lowell L. Livengood, oratory. These will try out for the essay contest: Miss Blanche Criswell, Miss Nita Strickler and Miss Althea Myers.

FORMER RESIDENT DEAD.

Mrs. Mary Kelley Dies at Home of Daughter, in Kent, Wash.

Mrs. Mary Kelley, aged 78, a former resident of this city, died March 7, at Kent, Wash. The body was brought to St. Joseph for burial and interred beside that of her husband, who died in St. Joseph eleven years ago.

Mrs. Kelley was a resident of Nodaway county for thirty-five years. She was born near Boston, Mass., and came with her husband to Nodaway county and settled on a farm near Maryville. Eight years ago she went to Kent, Wash., to make her home with her daughter, Mrs. Nora A. White. She is survived by three children, William Kelley, formerly circuit clerk of Nodaway county, now living at Perry, Kan.; John Kelley and Mrs. White of Kent, Wash.

Mrs. White and John Kelley, who came with the body of their mother from Kent, arrived in Maryville today to spend a short time visiting old friends before returning to their home.

LITTLE GIRL BADLY BURNED.

Granddaughter of Mrs. Katherine Miller Suffers Severe Wounds.

Mrs. Katherine Miller of West Third street, left Sunday morning for Collinsville, Okla., called there by the illness of her granddaughter, Elizabeth, the 3-year-old daughter of Mr. and Mrs. Robert Miller.

The child is suffering from severe burns received Saturday. She was playing near the open gas grate with a broom which caught fire, and from this the child's clothes were ignited. In protecting the little girl the mother burned her hands and arms badly. Both are severely but not critically injured.

ITALY PREPARING AGAINST AUSTRIA

NAVY IS BEING CONCENTRATED AT TARANTO.

STOP MAIL SERVICE WITH DUAL MONARCHY

Latin Countrymen Cry "Down With Teutons"—Government's Acts Intimate Approaching War.

By American Press.

Geneva, Italy, March 16.—A dispatch to the Tribune from Rome says that a large part of the Italian navy is being concentrated at Taranto, at the southeastern extremity of the country, in the Gulf of Taranto and at a point nearest the Dardanelles.

Special to the Democrat-Forum.

Rome, March 16.—Virtually all telegraph and mail service with Austria-Hungary has been cut off by order of government officials, and the country is drifting nearer and nearer to war with the dual monarchy, it is generally believed. The suspension of the exchange of telegraphic money orders was brought about by order of the Italian minister of posts and telegraphs. The suppression of traveling postoffices on trains bound for the Austrian frontier was likewise ordered.

The army is being gotten in readiness, it is reported from various sources, and preparations throughout the country indicate that Italy soon will be drawn into the war on the side of the allies.

Cries of "Down with Austria" are heard quite frequently, and the sentiment of the Italians against the Teutonic race is fast growing bitter.

The line of defense along the northern border is being strengthened.

RUSSIA CALLS RESERVISTS

Pacific Coast Countrymen Join Colors by Government Order—Affects 25,000.

By American Press.
Seattle, Wash., March 16.—All Russian reservists in Washington, Oregon, Idaho, Wyoming, Montana and Alaska are ordered home to join the colors on an order issued today by Nicholas Bogotvitsky, Russian consul general here.

It was said at the consulate here today that approximately 25,000 men in the Pacific northwest would be affected by the order.

TO DEBATE WORLD-WIDE PEACE.

Normal Societies Will Decide Question of Disarmament of Nations.

A debate between the Philomathean and the Eureka literary societies of the State Normal school will be held in May on the topic, "Resolved that international peace can best be preserved by national disarmament." It is planned to make the inter-society debate an annual affair. Each society will be represented in the debate by two members to be selected after a preliminary contest soon.

The Philomatheans have chosen Henry A. Miller, Ray McPherron, William Utter, Miss Mattie Dykes, Miss Frances Rickenbrode and Miss Doris Callahan as preliminary contestants. The Eurekans who will enter the preliminary are Miss Harriet VanBuren, Lloyd Cox, Howard Leech, Harold Ramsey, Eugene Cummins and Silas W. Skelton.

DRESDEN IS SUNK BY BRITISH

German Cruiser's Magazine Explodes After Five-Minute Fight.

ESCAPED FALKLAND BATTLE.

Official Statement Issued by Admiralty in London Says It Was Overtaken by Three British Warships Near Juan Fernandez Island and Sunk.

London, March 16.—An official statement issued by the British admiralty announced the sinking of the German cruiser Dresden, as follows: "On March 14 his majesty's ship Glasgow, Captain John Luce; his majesty's auxiliary cruiser Orama, Captain John R. Segrave, and his majesty's ship Kent, Captain John D. Allen, caught the Dresden near Juan Fernandez Island. An action ensued and after five minutes' fighting the Dresden hauled down its colors and displayed the white flag. It was much damaged and set on fire, and after it had been burning for some time its magazine exploded and it sank. The crew was saved. Fourteen badly wounded Germans were landed at Valparaiso. There were no British casualties and no damage to the ships." The sinking of the Dresden leaves at large on the high seas, so far as is known, only two German war vessels—the cruiser Karlsruhe last reported as operating in the West Indies, and the auxiliary cruiser Kron Prinz Wilhelm, which is still raiding commerce in the south Atlantic.

The Dresden was a member of the German squadron which was defeated by the British off the Falkland Islands in December. It was the only one of five German warships to escape.

WERE GOING TOO STRONG

Two Hundred False Registrations Made in Single Precinct.

Indianapolis, March 16.—Charles Miller, a member of the registration board, testifying in the Terre Haute election conspiracy trial, said Mayor Roberts of Terre Haute, one of the defendants, told him a man had a legal right to claim a voting residence wherever he desired. On Roberts' request, he said, he served on the registration board in a precinct other than his own.

Miller testified that he sent word to George Evans, Ben Murray and Frank Hess that they "were going too strong" in registering so many negroes from their saloons. It was brought out that while there were only about twenty legal negro voters in the precinct, more than 200 were registered.

Probe Land Question.

Dallas, Tex., March 16.—An inquiry into the land question was commenced here today by the federal commission on industrial relations. Among the topics which the commission expects to investigate are the relations that exist between tenants and owners of farm lands, the effect of poverty of tenants on food prices and allegations of political influence to force negroes into cotton fields.

ALL STOCK DOWN IN PRICE

Cattle, Hogs and Sheep Sell 5 to 10 Cents Lower at Kansas City—Quarantine Hurts.

Kansas City Stock Yards, March 15.—Fat cattle opened steady today, but the close was around 10c lower; receipts 12,000 head. The best heavy steers here last week brought \$8.55, and some brought \$8.25 today, but most of the beef steers sell between \$7.00 and \$8.25. Fat cattle trade is still under the handicap of frequent quarantine changes, which makes eastern

Spring Suits & Spring Coats

Are here for women and the younger generation, and these garments should be of first importance to those seeking new togs for spring.

Easter Will Soon Be Here

And you should be thinking what you will wear for Spring and the coming season. Let us help you make this matter an easy one.

New Coats

Here we specialize on most attractive styles at **\$5.00 to \$10.00.**

Our assortment is most complete in this range. Checks trimmed with colors and pipings of bright colors such as red, green and copen make the garments very Springlike and attractive.

Beautiful suits made from serges and wool poplins in the new shades at **\$15 & \$20**

The Opening of the Spring Season

Brings a desire for new Skirts in light colors that look Springlike. We just received this morning some very new models from New York bought not over a week ago. These Skirts are made from new materials you have never seen before and the styles embody new features that will instantly appeal to you.

D. R. EVERSOLE & SON

killers cautious buyers, fearing a sudden change in rules might tie up their shipments enroute.

However, big New York and other killers bought cattle here freely all last week, and helped very much to sustain prices. Muddy feed lots and the lagging condition of the fat cattle market are causing feeders to cut loose and take losses, a tendency that aggravates the weakness of the market situation. Besides, Lent always offers a bear argument for buyers.

Cows and butcher grades are not as weak as steers today, though they have been following the steer market closely. Several shipments of Colorado beef steers sold today at \$7.35 to \$7.75, and Colorado feeders brought \$7.15 to \$7.40. Quarantine receipts were 15 cars, including medium weight steers, at \$6.25 to \$6.90, and some steers weighing 1,121 pounds at \$7.90. Good north Texas cake-fed steers sold freely last week at \$7.05 to \$7.30. Stockers and feeders are steady today, steers

largely at \$6.75 to \$7.50; several droves of young stock cows at \$6.15 to \$6.25.

Hogs sold 5 to 10c lower; receipts 20,000 head, including 4,500 head bought by packers at markets north and shipped here for slaughter, due to insufficient supplies here. Half a dozen loads of shipping hogs brought \$7.00, and some serum hogs also brought that price, but bulk of sales ranged from \$6.75 to \$6.90.

A feature here for a week has been prices 10 to 20 cents above Chicago and St. Joseph, and 15 to 30 cents above Omaha, on account of superior order buying demand here. New fast stock train schedules, saving 24 hours on shipments to most eastern points, were put in effect out of Kansas City last week, which stimulates order buying here.

Sheep and lambs opened steady today, but the close was 10c lower. Receipts were 8,200 here, and heavy at other markets, and it was on account

of lower prices elsewhere that salesmen had to make concessions here. Lambs sold at \$9.40 to \$9.80, ewes up to \$7.75, best yearlings worth \$8.90, wethers \$8, feeding lambs \$8.75. Kansas City will have light receipts of sheep and lambs balance of the season for fed stock, and will offer quite an inducement to shippers in that respect over the up-river markets.

SOME DON'TS

For Stomach and Liver Sufferers.

Don't take medicine for your stomach ailments morning, noon and night, as usually such medicines only give temporary relief and simply digest the food that happens to be in the stomach.

Don't permit a surgical operation. There is always serious danger in operations and in many cases of stomach, liver and intestinal ailments the knife can be avoided if the right remedy is taken in time.

Don't go around with a foul smelling breath caused by a disordered stomach and liver, to the discomfort of those you come in contact with.

If you are a stomach sufferer, don't think you cannot be helped; probably worse cases than yours have been permanently restored by Mayr's Wonderful Remedy.

Most Stomach ailments are mainly caused by a catarrhal condition. Mayr's Wonderful Remedy not only removes the catarrhal mucus, but allays the chronic inflammation and assists in rendering the entire alimentary and intestinal tract antiseptic, and this is the secret of its marvelous success.

Don't suffer constant pain and agony and allow your stomach ailments to physically undermine your health. No matter how severe your case may be or how long you have suffered—one dose of Mayr's Wonderful Remedy should convince you that you can be restored to health again. Mayr's Wonderful Remedy has been taken and is highly recommended by members of congress, justices of the supreme court, educators, lawyers, merchants, bankers, doctors, druggists, nurses, manufacturers, priests, ministers, farmers and people in all walks of life.

Send for free valuable booklet on stomach ailments to Geo. H. Mayr, 154-156 Whiting St., Chicago, Ill.

Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if one bottle fails to give you absolute satisfaction.

WEATHER RETARDS FARM WORK.

Farmers Unable to Sow Oats or Plant Gardens on Time This Spring.

The disagreeable weather which has prevailed over all Nodaway county for the last month, until today, may be irksome to the city folk, but to the rural folk, it is not only irksome but creates a delay in spring farm work besides. Of course the snow and rain has been good for the wheat and will probably insure ample water this coming summer.

Many farmers in this part of the state are preparing to sow oats, plant gardens, plow and harrow, by the middle of March, but this time, the earth is not harrassed by such maneuvers, all on account of the weather.

But when the ground does become dry enough to work, and the temperature does moderate, every one available will be pressed into service on the Nodaway county farms to push the spring planting and general annual clean-up about the premises.

Dinner Party.

Mr. and Mrs. J. M. Conley of North Main street gave a dinner party Sunday evening, at which plates were laid for Mrs. J. C. Lanning and son, Merrill, of Pickering; Mrs. Rodney Hamblen, Miss Doris Vaughn, Miss Myrtle Lanning, Misses Alma and Margaret Mahoney and the Conley family.

Bennetts Entertain.

Mr. and Mrs. Lester Bennett entertained guests at a dinner party Sunday noon, who were Mrs. H. F. Barkus and son, Harry, of Livingston, Mont.; Mrs. Mark Barkman of Parnell, Mr. and Mrs. Clarence Lierley and son of Provo, Utah. The Lierleys are visiting at Bedison with Mrs. Lierley's parents, Mr. and Mrs. Gabe Purcell.

St. Patrick's Concert.

A St. Patrick's day victrola and grafonola program will be given at the Maryville Conservatory of Music at 3 and 4 o'clock tomorrow after-

noon. The entertainment is free and the program will include some popular Irish songs, sung by John McCormack, Chauncey Olcott and others, and there will be orchestra, piano and concert favorites.

Farewell Dinner Party.

Mr. and Mrs. Ralph Pierpoint were the honor guests of a dinner party given Sunday noon by Mr. and Mrs. R. V. McKee of Ravenwood. Other guests present were Mr. and Mrs. Earl Hefflin, Mr. and Mrs. Joel Trullinger, Miss Gertrude Lyle, Miss Bessie McKee, Miss Mildred Trullinger, Hilda and John D. Hefflin, Misses Doris and Ogle McKee. The dinner was a farewell gathering for Mr. and Mrs. Pierpoint, who are leaving that neighborhood soon.

Club Holds Merry-Making.

Serious pursuits were forgotten yesterday afternoon by the Arts and Crafts department of the Twentieth Century club and a general merry-making was held at the home of Mrs. D. J. Thomas. No formal entertainment or work was planned, each member bringing whatever piece of art or craft which she desired. The luncheon was one of the each-bringing-her-own variety, and with the delicacy brought the recipe was given. Tea was served by Mrs. Thomas, assisted by Mrs. Orear and Mrs. S. G. Gillam.

Class Begins New Work.

The Homemakers class of the Buchanan Street Methodist church met last night at the church in the first meeting of the kind which it has held, the purpose being for the study of the Sunday morning Bible lesson. One hour is devoted to study and the meetings will be held each Monday night. The Homemakers class is a large and enthusiastic organization composed of the women of the church. The weekly Bible study is but one of the many plans inaugurated by the class for a better work and a greater personal application in its church activities.

To Celebrate Anniversary.

The Royal Neighbors lodge celebrates the twentieth anniversary of its organization March 21, and to make the occasion one of interest, Pansy camp, No. 333, is arranging a program, and in addition is securing a large class of candidates under a special dispensation of reduced rates to be taken in at a county encampment to be held at Clearmont, April 15. The Maryville camp now has 114 members. The lodge is the women's auxiliary to the Modern Woodmen of America, and is one of the most active organizations in the city.

Wedding Date Announced.

An announcement of interest to friends of the family in this city is that of the approaching marriage of Miss Anna Belle Totterdale of Pueblo, Col., to Mr. Paul Roberts of Idaho Springs, Col., which takes place April 6, at the home of the bride's mother, Mrs. Frances Totterdale. The wedding date was made known to a small circle of intimate friends at a luncheon given Thursday by the bride-elect's sister, Mrs. J. L. McKee of Pueblo. The Totterdale family are former residents of this city. They went to Pueblo about three years ago to make their home.

Home Department Meets.

The Home department of the Parent-Teachers' association enjoyed a very beneficial session Friday afternoon at the home of Mrs. W. A. Burris. After devotional exercises, led by Mrs. J. W. Ray, the general study of the afternoon, "The Education of the Boy and Girl for Future Husbands and Wives," was taken up. The discussion was keen and spirited, each member present having some side of the question to bring before the meeting. A plan for creating a hygiene department was also spoken of. The next meeting will be the second Friday in April, when a general meeting of the association will be held in the high school auditorium.

Junior Circle Organized.

A meeting of the Junior Mission Circle of the First Christian church will be held Thursday evening at the home of Mrs. E. R. Utter. The meeting is the second one of the Circle, which was organized last week, and is for the purpose of completing the organization. TO SHOW BIBLICAL PLAY.

"The Sign of the Cross" Will Be Feature.

The five-act photoplay "The Sign of the Cross," with William Farnum starring, will be shown at the Fern theater March 23. The scenario for it was prepared by the Rev. Delbert L. Pelton, while the actors in it rehearsed for weeks to bring it to perfection.

The play has been heartily endorsed wherever shown. The Christian Endeavor society of the First Christian church, under whose auspices it is given, will attend the show in a body.

"The Birth of Our Savior," a one-act play, also will be shown in connection with the feature.

Mrs. Fred P. Robinson will sing a religious solo prior to each show. The Sunday school orchestra of the First Christian church also will play during each show. A matinee at 4 o'clock next Tuesday afternoon also is planned, in addition to the two night shows.

"The Sign of the Cross," it will be remembered, was so ably portrayed by Sarah Mildred Willmer in the third number of the lyceum course here this winter.

LEGISLATORS PASS BUT 6 BILLS.

More Done Last Week Than Previously But Big Measures Are Waiting.

With four working days to go before the end of the 70-day session is reached, the Missouri legislature has passed to date six bills. Four of these are appropriation bills yet to come. The other bills change the time of

holding court in Maries county and enables St. Joseph to sell bonds to make repairs on school buildings.

While every indication points to the present session passing less legislation of consequence than any legislature in many years, several bills in the past week have been advanced on the calendar so that they stand a reasonably

certain chance of passage—that is, unless the two houses get into some new jam.

More progress was made during the last week than any time during the session. The bills of most consequence which stand good chance of passage outside the appropriation bills are:

A part of the code revision, the revision of the state banking laws, the state fire insurance rating bureau, a state dairy department bill.

The code bills have been engrossed in both house and senate—all except the criminal bill.

CONGRESS IS AID

NATIONAL LAW MAKERS DO MUCH TO ADVANCE WEST.

PROVIDE RECLAMATION

Legislators Pass More Measures Favorable to Interior Department Than Any Past Decade.

Secretary Lane of the Interior department at Washington expresses himself as pleased with the record made by the sixty-third congress on legislation affecting the work of the interior department and the public affairs under its administration, prior to its adjournment a few days ago.

"No single congress in a decade," said the secretary, "has passed and considered so much constructive legislation for the development of the west, the encouragement of pioneers and settlers, and the economical administration of the many interests handled by this department."

"Probably the biggest item in the list is the legislation for the building of the Alaskan railway, and the opening and leasing of Alaskan coal lands. The country will come to look back upon this legislation as inaugurating a work that will rank in importance with the construction of the Panama canal."

Aids Arid Land Settlers.

"The extension of time for reclamation settlers to pay their water right charges, the desert landacts to relieve and encourage settlers who are striving to make homes in the arid sections, the temporary oil leasing bill for the relief of the oil situation, the authorization of establishment of ten mine experiment bureaus and fifteen additional mine rescue stations, the appropriations for extension of the bureau of education in rural and industrial sections, are all progressive measures."

"In its every act in relation to the public domain and the work of this department, the congress just adjourned has evinced a desire to fur-

ther the interests and encourage the efforts of the real home builder and the man or woman anxious to aid in the country's development, and has frowned upon the speculative and exploiting class.

"Real progress has been made toward true conservation of our natural resources. Although the leasing bills for opening up the coal, oil, phosphate and potash lands and water power sites to development failed in the senate because of obstructionistic tactics, the favorable action by the house upon these measures and the passage of the law opening the surface of phosphate and potash lands to homesteading, and providing that the mineral deposits in these lands shall remain withdrawn until further action by congress, is highly significant of the purpose of congress to complete this program at an early date."

Helps Indians, Too.

"The Indian appropriation bill failed to pass because of a controversy over the demand of the Choctaw Indians in Mississippi that they be enrolled and given a share of the tribal funds of the Choctaw Indians of Oklahoma. A joint resolution passed by congress

extends the appropriations of the current year for Indian purposes. While the failure of this bill will necessarily cause some embarrassment to the Indian office, it will not lead to any neglect of the Indians or of their property or interests, which will be fully cared for."

Among measures of importance relating to the public domain and the affairs of the interior department, which have been enacted by the sixty-third congress, Secretary Lane mentioned the following:

The Alaskan railway law and the appropriation at the last session which gives the administration about \$2,500,000 available for work during the coming year.

The Alaska coal leasing law. Appropriation of \$14,000,000 to be expended on reclamation work in 1916.

New House for Portfolio.

Authorization of a new building for the interior department, estimated to cost \$2,500,000, of which \$1,500,000 is appropriated this year. This new building, to be erected at P and Eighteenth streets, Washington, will contain quarters for all the bureaus of the department except the patent office, the bureau of education and the pension bureau.

An appropriation of \$500,000 for the construction of new laboratories for the bureau of mines at Pittsburgh.

The appropriation of \$35,000 to permit Dr. Rittman to continue his research and experimental work with petroleum and natural gas.

The creation of a board of review in land cases, in the office of the secretary of the interior.

The reduction of the appropriation for the payment of war pensions by \$16,000,000 over that of two years ago. The act authorizing the opening to entry of a portion of the Fort Ringgold Indian reservation in North Dakota.

To Create New Colorado Park.

The creation of the Rocky Mountain park, near Denver, Col., and the granting of public lands to the city of Denver for public parks.

The validating of locations of deposits of phosphate rock heretofore made in good faith under the placer mining laws.

The act allowing the secretary of the interior to withdraw lands within reclamation projects for public playgrounds, public parks and community centers.

The act allowing the husband to select the residence for both parties in cases of intermarriage among homesteaders.

Allowing division into two parts of the five-month absence privilege of the three-year homestead law.

The law allowing a homestead entrywoman to perfect her claim, although she may lose her citizenship by marrying an alien.

"CASCARETS" ALWAYS STRAIGHTEN YOU UP

If Costive, Headachy, Bilious, Stomach Sour, Breath Bad—Clean Your Liver and Bowels.

Get a 10-cent box now.

You men and women who can't get to feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

Allowing the deserted wife of a homesteader to submit proof on his claim and receive patent in her own name.

Extending to South Dakota a part of the enlarged homestead law.

Validating entries under the enlarged homestead law in cases where parties had partially exhausted their 160-acre homestead rights.

Urge More Farm Education.

The law providing for reorganization of the force in the patent office, for the purpose of not only keeping up with the increasing work of the office, but of minimizing the number of pending cases in the office, which has already been greatly reduced under the present administration.

The continuance of appropriations made last year for the first time, for encouragement by the bureau of education of school and home gardening and investigation of rural and industrial education, and the appropriation of \$25,000 for medical relief of the Indians in Alaska.

Appropriations of \$50,000 for investigations in connection with Western irrigation agriculture, partly available for investigations on reclamation projects.

Appropriation Not Sufficient to Keep Missouri Exposition Building Open Committee Says

The Missouri building at the Panama Pacific exposition may have to be closed as the appropriations committee has recommended only \$6,000 for the home of Missourians in San Francisco.

The Missouri commission had an unexpended appropriation of \$27,000 left over from the last biennial period, but unpaid bills for furnishing the building will consume this credit.

John A. Cunningham of Caruthersville, a member of the commission, said that it would be useless to try to keep the building open with only \$6,000.

"The opening day," he said, "more than 5,000 Missourians registered. If the committee refuses to be more liberal we will have to close the building and reopen it again in the fall to keep it open as long as the money will last."
